

Gonit Sora Internship

October 15, 2021

Gonit Sora (<https://gonitsora.com>) has been running a fairly successful internship program for primarily students from the North East since the last few years. The internships last **three months** at a time, with an expected weekly time devoted to the internship being approximately **five hours**. The interns are also paid a monthly stipend, depending on the work assigned, and are provided a certificate after the completion of the internship.

- **Who is eligible?** All undergraduate and masters students studying in any STEM course are eligible. Preference is given to female students from the North-East, but everyone is welcome to apply.
- **How to apply?** You can apply by sending in your CV and a cover letter via email to our editor manjil@gonitsora.com.
- **What work is done in the internship?** There are two kinds of work, either developing or editing our website or a more technical internship where the student is paired with a relevant member of our team and they study a particular topic of their choice together and produce at least two short write-ups during the course of the internship.
- **What are the benefits to the students?** Apart from getting to work and learn from our team, students are given a monthly stipend, a certificate after the completion of the internship and have access to our network of team members situated in different parts of the world. They can tap in to our resources for further advice and help in their career. Outstanding candidates also receive a letter of recommendation for any of their future applications for internships and scholarships.
- **When is the deadline?** There are no deadlines and we accept candidates throughout the year depending on vacancies, so you are welcome to apply at any time of the year.
- **What is the selection process?** After a preliminary screening of the CV and cover letter we will do a video interview to discuss what work is mutually suitable and then if an internship is offered we will usually email within the next 7-10 days.

If you have any other queries, feel free to get in touch with us via email at manjil@gonitsora.com.
